CRITICAL APPROACHES TO RELIGION: RACE, CLASS, SEXUALITY, AND GENDER (PAPERBACK)

Cognella, Inc, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. Critical Approaches to Religion: Race, Class, Sexuality, and Gender provides students with carefully selected readings that examine diverse cultural religious traditions, as well as the intersection of academic religious studies and the practice of religion throughout the world. The anthology explores both mainstream religious traditions and those that are marginalized, applying theories of feminism, sexuality, race, class, and gender across the board to offer readers a broad and comprehensive understanding of global religion. Through selections authored by prolific writers in the field, coupled with insights from the editors for additional context, students learn about critical approaches to religion, the various methods of studying religion, the concept of belief, the connection of myth to ritual, the idea of mysticism, how gender and sexuality factor into religious experiences, and more. Cross-disciplinary in nature, Critical Approaches to Religion is designed to serve as a supplementary text for foundational courses in religion, world religion, anthropology, sociology, and history.
